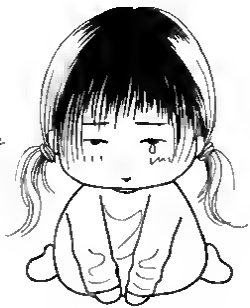
THANK-YOU EVERYONE



Lately, I have become "very fart," and now I can't go out in public.

(I'm Hayakawa Tomoka.)

(Hair growing long, fat bulging out. I have to do something.)

The works that I thought "are going into a warehouse!?" are rounded up into one book. This is because of everyone's support. Thank you very much.

Everyone in the editorial staff. Thank you so many times. (Also the few people who helped me in private matters. the person who is took charge of this KC Onodera-sama. I would like to meet you someday.)

Hana-chan. Sakura Chitose-sama. Tae-chan. Thank you for helping me out with these works.

(The person in charge-sama) Shinsaku Tsukasa-sama? Congratulations on your marriage (Again.) I have been left behind by a person of the same age. ack) I wish you happiness ?) I hope you will take care of me in the future too! (Really seriously.)

The 4 works in this book were out in a magazine called "Juliet," in "Juliet" every time there is a "bonus." Using my sense I am thinking about it, I guess.

HEY!

(YOU who bought this book! YOU who always write letters to me! I thank you so much! You are the source of my power.)

Really these were 1-2 years ago so I don't really remember them. "Dengeki Love « Machine" is new so I do remember that.

The person who cut out the picture of Kiyoharu(-sama) Thank you...??? I am keeping it preciously.

Speaking of which..

Starting from Dengeki Love Machine inside stories

Topic is "The Best First Time." I'm sorry it's kind of off topic.

Really really recently I was thinking of...

KIYOHARU-SAMA

All the time while I do my work but...

This is because...

MY DESIRE

Kiyoharu's upper arms look delicious also

I want to touch Kiyoharu's shoulder blade...

During the Count Down LIVE I danced crazily and had a muscle aches all over the next day

I'm a really dirty woman.

"Go to the Sads LIVE" even now

Kiyoharu is the number one good looking guy on earth..? ♥♥♥

(Is getting out of control)

I got the name "Bansaku" from a cute guy who came to visit when I went to see my friend's band the too was in a band when I was writing this I heard that his band "disbanded" (right now is January) I have to go to their last live! (their band is called "after effect")

Such a wonderful last name!! Such wonderful parents
IS IT OKAY IF I USE IT?
HIS LAST NAME IS "BANSAKU"
Go ahead Go ahead
(Mr YUKI-kun, also in R SK → looks very much like Kiyoharu) If they line up together they look like brothers!
Looked a little like Kiyoharu.
A very cute boy!
I read a lot of shoujo manga
You're a manga writer?
Very handsome, boyish face. Very small face.
Looked very slim... arms and legs looked thin... long.
Please read from here
My friends band "R.I.S.K." On that day I visited them after rehearsal After rehearsal the vocalist MARSHI-kun said
HERE YOU LIKE THESE TYPES OF FACES RIGHT?
HAC-CHI
MARSHI. A good looking guy
Recently MARSHI-kun has been calling me by that
"THE TYPE OF FACE I LIKE" YOU SAY!? CHIEF-KUN!!
That time my hair was short
Recently I have been calling MARSHI-kun by this.
And there was...

This is how the name "Bansaku" came about Though it's not really from a model Though one thing I didn't know is that he was very popular I looked at a flyer and I think he looks cuter without make-up It might be just my taste? Maybe because if he put on make-up he doesn't look like Kiyoharu?

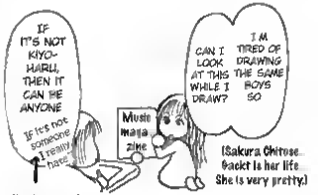
It doesn't really matter but I am very weak against knit hats and Tenugui hats.

Atashi no Beibe-(My Baby)

The original title was
"Handsome Boy Picture Book 2000"
Wow! I really don't remember I remember having fun drawing the ugly guy That's about it! Oh, yeah, yeah. For the ugly guys there were models for them. For almost everyone of them. For example my elementary and Jr. high teacher that I really hated, also the very ugly guy was the person who stalked me (he was really ugly). One of the guys in a band challenged me in a fight at some inn's ear (of course I bought it and had a big fight!) Bastard you better watch out next time. There are so many ugly and rude people around me. Pretty people have a very good personality. Both guys and girls. And because of that, I hate ugly people more and more.

The continuation of Dengeki Love Machine

The people in the back (they are called "the mob") my friend Sakura Chitose (Gackt her all) drawed it for me. (She is a manga writer who is achieving greatly in some magazine.)



IF IT'S NOT KIYOHARU, THEN IT CAN BE ANYONE
IF IT'S NOT SOMEONE I really hate
Music mania zine
CAN I LOOK AT THIS WHILE I DRAW?
I'M TIRED OF DRAWING THE SAME BOYS SO
(Sakura Chitose... Gackt is her life. She is very pretty.)

Kiyoharu is always a different status.

So, if the back person looks like someone that doesn't mean we are a fan of them (mine and also Sakura Chitose's.) I'm sorry. The people who are fans, I'm sorry. I'll be careful from now on.

Shinderera Jya Arumaishi (Like in Cinderella)

The original title for this was
"The Supreme Happy End"
If it was "The Supreme Happy End" then it will automatically be "Marriage with the Prince" of course! And like this, the work was made. I was thinking, that when I was small, I read picture books like this.
It was also called "the work of Hagakawa Tomoko just before she breaks" (heart) (Love) Author is the part of course. I was very embarrassed, but also I enjoyed it very much, as I did it. The direator (at that time, former surname, Isawa-sama. Also beautiful.) was I bet very worried. But I really wanted to make it a silly manga Isawa-san did her best to hold it in. Thankyou...

Sono Kimi Saenaide (Don't Get Me Into It)

The original title for this one was
"I want to be taken!"
This also misses its point what's with the big head! The body is too small. Ahh, I wanted to redraw everything, but I have limited time so I gave up. Sigh. Sakura Chitose-sama and her younger sister Taa-chan(looks extreamly like Kiyoharu) came to help me out. I remember that it was very fun. Wearing similar pajamas and sleeping lined up beside each other. It was red pajama, yellow pajama, and blue pajama night.

(please read...!? Yamato Nadeshiko Shichi Henge!?)

♥ Guys or love, she wasn't interested in either. Madoka, still a virgin who hasn't even given her first kiss, changes into a wild animal!? Ever since she fell in love at first sight with Bansaku-kun, she can't get a grip on herself! She runs recklessly to confess her love for him and pushes him down all of a sudden, and this gets Bansaku-kun really mad!!...even though people are asking, "Why now!?" - I'm serious! Four stories in all with deliciously good-looking guys in all!

I'M A PENNILESS, UNEMPLOYED, SINGLE EIGHTEEN YEAR-OLD GIRL.
The company I worked for went bankrupt three months after I started, and my parents, whom I relied on, are missing (self-employed wanderers).
